Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Plough Publishing House, 2014. Paperback. Condition: New. Language: English . Brand New Book. Raising a child has never been more challenging. If you ever doubt yourself or wonder if it is worth the heartache, read this little book. If you worry that your family will not weather life's storms or if you fear losing your children to the prevailing culture, read it again. Why Children Matter offers biblical wisdom and commonsense advice on how to hold a family together and raise children with character. Johann Christoph Arnold, a father, grandfather and pastor, has written eleven books, including three on parenting and children's education. As the fabric of family and society is torn apart, this book offers up concrete steps to encourage parents faced with difficult child-rearing decisions.
