

Don t Get Sick: The Hidden Dangers of Camping and Hiking

By Buck Tilton, Rick Bennett

Mountaineers Books, United States, 2002. Paperback. Book Condition: New. 2nd. 147 x 99 mm. Language: English . Brand New Book. How to avoid swallowing things that will make you turn green, and other backcountry health tips for only \$8.95 Teaches campers and hikers how to avoid backcountry illnesses and even death due to food-borne diseases, sanitation problems, polluted water sources, and more Handy pocket-sized guide gives practical, even humorous, information on camp cleanliness, waste disposal, water treatment, food management, and germ prevention Helpful appendices and charts Nothing soothes the soul like a great escape into the wilderness for a hiking or camping adventure, but what about your physical health? Without the proper awareness of the protozoa and parasites that await you, outdoor adventures can quickly become a nightmare of viruses and infections. Add animal-borne diseases like tick fever, rabies and trichinosis and many would-be adventurers might never leave their homes unless, of course, they have this book. This invaluable resource describes food- and waterborne diseases and explains how to prevent them; how to keep a clean camp; how to choose the best water filter; how to select, manage, handle, and prepare foods; how to dispose of human waste and solid waste; and how to...
