Aunt Ruth: The Queen of English and Her Reign of Error (Paperback)

By Joel F. Schnoor

Gennesaret Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Let's face it. English grammar is not exactly a topic that grips the imaginations of today's youth, nor is it the root of titillating conversation at the office water cooler. Sure, we may snicker when Susan accidentally splits her infinitive or shed a tear of refrained laughter when Bob dangles a participle, but in general we modern day Americans work as hard as we can at avoiding using lie / lay / lain or lay / laid / laid. Why is grammar so painful for us? This book is the panacea for Grammar Angst. Each of the (45) chapters is a separate, stand-alone adventure involving the indomitable Aunt Ruth, her sidekick (and sometimes nauseating) nephew, and a cast of other memorable characters who pop-in now and then to join in the fun. Each story addresses a specific grammar or usage point, and the stories can be read in any order. In the back of the book is a section on common problems, where each topic discussed in the earlier chapters is further explored. Audiences of all ages will enjoy these stories....

Reviews

The ideal publication i at any time go through. It is actually rally fascinating through reading through time. I am pleased to inform you that this is actually the greatest book i have got read through during my individual existence and might be he best book for at any time.

-- **Alexandre Cruickshank**

This ebook is fantastic. It is probably the most awesome book i actually have read. I found out this ebook from my i and dad suggested this book to understand.
