American Learnership Forum, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Version: Black and white interior (514 pages): In life we often overlook the beneficial effect of a holistic mindset in our living and working relationships; and in building cross-disciplinary competence for handling interpersonal matters with thoughtful reasoning and balance. This Life and Legacy Management and Professional Performance program is intended to be an exceptionally powerful supplement for American adults (ages 25-75) desiring continuous education and development that exceeds what is available elsewhere. Whether you re a recent college graduate navigating the job market, a boomer age retiree in life/work transition, or a senior adult shaping your life self-fulfillment; you can benefit from strategies to handle stress, uncertainty and life s complexities. This comprehensive handbook, with stimulating concepts and graphics is a blueprint to help you become a lifelong learning leader and to craft a memorable living legacy. This guide advocates a holistic and democratic approach to living, working and building relationships that advocate the time-tested values of being authentic, motivated, educated, productive, compassionate and trustworthy.
