Reviews

*This kind of pdf is every little thing and taught me to looking forward and more. It is one of the most incredible book i have read. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).
(Miss Amelie Fritsch DVM)*

WHITAKER'S ALMANACK 1869

Bloomsbury Publishing PLC. Hardback. Book Condition: new. BRAND NEW, Whitaker's Almanack 1869, 'The Almanack is essentially a Household Book. From it is derived the knowledge ordinarily possessed of the Course of the Seasons, and other Astronomical phenomena, the nature of our Constitution, and the statistics of our Ecclesiastical, Legal, Naval, and Military systems. In addition to all such information, herein given in an unusually full and complete manner, the reader will discover other and important features not hitherto easily obtainable. He is referred, for instance, to the summaries of the Public Income and Expenditure, the proceedings of Parliaments during the last Session; to Scientific Discoveries and Inventions of the Year; to the Trade, Commerce, and Finance of the Kingdom; and to the particulars of our Municipal and Social Institutions. a clear and concise account of India, Australia, Canada and other possessions, together with a similar description of Foreign Countries' (December 10, 1868) So wrote Joseph Whitaker in the introduction to his very first edition of Whitaker's Almanack, published in 1868. One hundred and forty six years later Whitaker's is still published annually and its remit has remained remarkably unchanged. Alongside the calendar and astronomical data associated with an almanack, it provides a comprehensive overview of all aspects of UK infrastructure, a detailed digest of every country of the world and an overview of the events and discoveries of the past year.
