BRILLIANCE AUDIO, United States, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. David Weber himself contributes three never-before-published excursions into Honor s world, among them the story of how she first discovered her own inner strength and courage; and a chapter in the history of the telepathic treecats, who form a bond with their chosen human that can only be severed by death. Roland Green, author of the Starcruiser Shenandoah series and the Peace Company series, delivers a hardhitting tale of conflict between Manticore and the People s Republic of Haven. Linda Evans, co-author of Time Scout, explores life with the treecats before Honor came. And Jane Lindskold, author of Brother to Dragons, Companion to Owls, tells how Honor s Queen, Elizabeth III, had to learn the hard way what monarchy was all about.
