Createspace Independent Publishing Platform, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Every so often a story comes along that can transport, entertain, and teach lessons about life, courage, and overcoming our fears and demons. VARRICK S DISTURBANCES is such a story, a novel about a boy and his anxieties, obstacles, passions, and faith. Anyone who s ever been pushed down by life s tragedies and cried out for help will find a kindred spirit in the boy whose name bears the title of this stirring tale. By age eleven, Varrick O Connell had already lost several things in his life, the most important of which was his father two and a half years before. Set in a small Mojave Desert town during the summer of 1965, VARRICK S DISTURBANCES deals with a wide variety of topics and emotions: the loss of loved ones, racial strife (both in the town of Yuccaville, California, and in Watts during the riots), the well-meaning but potentially dangerous intervention of mental health professionals, the real or imagined appearance of a guardian angel, and - most importantly - the search for ultimate truth, protection, personal courage, and faith in a power...
