

Eating the Italian Way (Classic Reprint) (Paperback)

By Gino Tani

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Eating the Italian Way The real love of good food is deeply rooted in Italy, as is an unfeigned, genuine love of art. In every region, the cuisine strikes a profound harmony with the climate, with the beauties of the landscape. It varies from city to country and from town to town, just as does the mercurial Italian temperament. Compare them, for a moment. In the north, there is the hearty abundance of Piedmont, of Liguria, Lombardy and Veneto, rich with the opulence of the good earth, and impregnated with the divine aroma of the northern vineyards. In the central triangle Rome, Florence, Ancona we find a perfect balance, a gastronomical harmony achieved perhaps nowhere else on earth. For variety, we have only to slip down to Naples and the Amalfi coast, to linger over the knowing sobriety of home cooking in the southern provinces, and to taste the rare and exotic traditional fare of the Islands. Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

-- **Ervin Crona**

A must buy book if you need to add benefit. I am quite late in starting reading this one, but better than never. It has been designed in an exceptionally easy way in fact it is only after I finished reading this publication where in fact it modified me, altered the way in my opinion.
