

## Ladybug Girl and the Rescue Dogs (Hardback)

Filesize: 5.81 MB

### Reviews

*It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Penguin Putnam Inc, United States, 2018. Hardback. Condition: New. David Soman (illustrator). Language: English . Brand New Book. Ladybug Girl and her friends help at a dog-adoption fair and discover that even the littlest things can make a big difference in this tenth hardcover in the New York Times bestselling Ladybug Girl series. Lulu is excited to meet all the rescue dogs when the pet-adoption fair comes to her local farmers market. She wants to take all of them home--but she already has Bingo, and Mama says one dog is enough for their family. That doesn't mean Lulu can't help, though. It's time for Ladybug Girl and the Bug Squad--her friends Grasshopper Girl and Bumblebee Boy--to step in! The Bug Squad can do all kinds of little but important things, like brush the dogs, play with them, and bring them water and food. And then Lulu comes up with the perfect plan to help the dogs find their forever homes. Her idea is such a success that the Bug Squad knows they'll be back again next week. Together, they can help every dog get adopted. This beloved series is celebrated for its gentle, authentic, and imaginative exploration of kid-emotions and -truths.
