IRELAND 1170-1509, SOCIETY AND HISTORY

Xlibris Corporation. Paperback. Condition: New. 572 pages. Dimensions: 9.0in. x 6.1in. x 1.3in. The history of medieval Ireland cannot be understood without some knowledge of the historical and social background. Also many concepts familiar to readers in Ireland are not familiar to readers in other countries. Therefore I have supposed that many readers will be coming to the subject for the first time. I trust that those who are already familiar with the subject will not regard me as condescending. Everyone has to start at some point. It should be remembered that records were kept and history written about the activities of the chiefs and noblemen. Little was written about ordinary people who formed the vast bulk of the population. We have to find what we can about them indirectly, for example from records of harvests kept on big estates. All of western civilization is derived from what happened in the various lands and regions in Western Europe after the decline and fall of the Western Roman Empire. Numerous warrior families poured across the old frontiers of the Empire and adapted themselves to the Roman way of life. Usually they adopted the Latin language, though in England they did not. As the political and military power of Rome declined another power developed, that of the Christian Church based on Rome. It kept literacy and the art of writing alive. The various post-Roman states were ruled by kings who depended on the Christian clergy for much of their administration, and indeed for their defence. This however led to prolonged disputes as to the limits of the authority of the religious and secular powers. These states were then subjected to prolonged attacks by pagan peoples like the Vikings and Huns from the north the south and the east. They gradually reorganised themselves to...
