Taylor Francis Ltd, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Based around an interview with Tadao Ando, this book explores the influence of the Buddhist concept of nothingness on Ando s Christian architecture, and sheds new light on the cultural significance of the buildings of one of the world s leading contemporary architects. Specifically, this book situates Ando s churches, particularly his world-renowned Church of the Light (1989), within the legacy of nothingness expounded by Kitaro Nishida (1870-1945), the father of the Kyoto Philosophical School. Linking Ando s Christian architecture with a philosophy originating in Mahayana Buddhism illuminates the relationship between the two religious systems, as well as tying Ando s architecture to the influence of Nishida on post-war Japanese art and culture.
