THE COOPERATOR'S DILEMMA

The University of Michigan Press. Hardback. Book Condition: new. BRAND NEW, The Cooperator's Dilemma, Mark Irving Lichbach, In "The Cooperator's Dilemma," Mark Lichbach provides an up-to-date and complete evaluation of the collective-action approach. A special strength of the work is that it integrates in a unique way both game theoretic and micro- economics approaches to the collective-action problem. Prisoner's Dilemma and public goods issues are thus discussed with a common collective-action framework. Another distinctive feature is the author's development and...

Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

-- **Jaiden Konopelski**

The publication is easy in read better to understand. It is writer in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
