Excerpt from The Semantic Development of Words for Mental Aberration in Germanic: A Dissertation Submitted to the Faculty, Graduate School of Arts and Literature, in Candidacy for the Degree of Doctor of Philosophy, Department of Germanic Languages and Literatures This study aims to define the comparisons which have given expressions for mental aberration. When it has established this underlying figure it does not concern itself with the further history of a word. Accordingly only those definitions of a word are given which are pertinent to the subject. When a word appears in a large number of dialects, only representative dialects or those dialects which show an interesting variation of form or meaning of this word are instanced. Expressions for mental aberration shade off into those for stupidity, folly, feeble-mindedness, etc., and therefore the limits of the subject were drawn somewhat arbitrarily to include certain very closely related words rather than to exclude anything of interest. The words of the separate groups have been arranged in the order of the Sanskrit alphabet, as this frequently brings associated words nearer together. The works in...

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

-- **Angus Hickle**

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
