Delilah Sullivan, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A book of thought-provoking and philosophical wisdom, The Teachings of Mr P. is a collection of passages and discussions channeled through Delilah Sullivan, from her guide Mr P - formerly the ancient Greek philosopher Plato. The passages, of updated thinking and offerings, invite us to come with an open mind, to enquire of ourself and question a wonderful range of topics and concepts, igniting our higher self in the process. Topics such as: The power of love - in all its guises, namely in the truth of love. Space/time, randomness, the effects of virtue, neutrality, trust, purpose, reason, belief and desire. The intricacies of the metaphysical, in relation to the universe, ourselves, and the concepts we live by. A wonderful exploration into what makes us human, with insights from the divine to guide us to a more fulfilling and satisfying life. Mr P leads the discussion, yet invites us to be the leader - to partake in the discussion. We are offered different perspectives, opportunities to see the beauty, healing and growth available to all - a means to create our own answers and expand our awareness. The book, rich in dialogue and practical wisdom, finishes with practices to aid us in quietening the mind and achieving greater well-being, clarity and joy. The Teachings of Mr P. is a must-read for those interested in the new wave of philosophy, the integration of the spiritual and the physical in a modern world. A book, both timely and for readers of all and no religion. REVIEW by The Scientific Medical Network: The amount of time we live is less important than its quality, as the following quotation indicates: Did he or she lead...
