## Wild Magic: The Wildwood Tarot Workbook (Paperback)

By Mark Ryan

Sterling Publishing (NY), 2017. Paperback. Condition: New. Language: English . Brand New Book. Want to delve deeper into the concepts that made The Wildwood Tarot wildly popular? This workbook further explores those powerful ancient traditions. Wild Magic invokes the power of the Wildwood--the Green Man and Green Woman, as well as all the living archetypes of the forest, such as Herne the Hunter and Robin-i-the-Hood. Journey across time to the pre-Celtic world where primal forces, in the guise of animal, bird, and fish, roamed free and opened doorways into the otherworld of the Ancestors. With chapters on the Lore of the Wild, the Wheel of the Year, shamanic methods of examining the wild, and meditations designed to enable personal encounters with Wildwood archetypes, as well as newly crafted rituals enabling readers to celebrate festivals such as the Midsummer and Midwinter Solstices, the book takes a fresh and informed look at a set of ancient traditions applied to the present.

### Reviews

*Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.*
