

## Green Stringpops: (Cello Part) (Paperback)

Filesize: 6.66 MB

### **Reviews**

*It is one of the best publications. It is definitely simplistic but exciting in the 50% in the ebook. I am very happy to let you know that this is basically the greatest publication I have got to go through within my own existence and could be the greatest PDF for ever.*

Faber Music Ltd, United Kingdom, 1998. Paperback. Condition: New. Multilingual. Language: English . Brand New Book. Seven fun pieces in pop, rock and jazz styles for young players with basic to moderate ability. Developing the immensely popular format of Stringpops 12, Green Stringpops works equally well with almost any combination of strings and piano, and is ideal for either class or individual teaching. Loveable catchy tunes and rhythms feature alongside techniques such as double stopping and chromaticism. Basic position changes and new key-signatures are introduced in a carefully worked-out scheme. Each piece is accompanied by a thought-provoking statement on a major environmental issue.
