

Did You Say Chicks

By Esther Friesner

Baen Books, United States, 1998. Book. Book Condition: New. Reissue. 173 x 107 mm. Language: English . Brand New Book. A brief word from the characters: We seem to have a failure to communicate here. Hey, it's okay with us that Chicks in Chainmail was so popular, and reached Number 3 on the Locus bestseller list, and everybody wanted more, please. But people, you need to take us sword-swinging amazons a little more seriously. After all, you think it's a picnic wearing a cold brass brassiere (let alone finding the right size)? You think it's a piece of cake keeping those chainmail accessories from rusting when it rains? You think it's a walk in the park besieging a city when you've got PMS? Think again, you wimpy noncombatants!.
