Excerpt: .the beginning and the end of the line. They are less in amount than any of the certain drawings except one in which only fair certainty is reported. Fig. 10-gives in Nos. 2, 3, and 4 respectively, tracings from a certain, an only moderately certain, and an uncertain drawing. In the drawings with the instruction fast, certainty was reported in all but the first two cases, in which the subject was becoming accustomed to the process. All the curves of this series except the first two conform to the type already found to accompany certainty. One of them is illustrated in Fig. 10, No. 5. With this subject, therefore, we have not been able to correlate the attitudes of certainty and uncertainty with a definite form of curve when the subject has chosen his own rate of drawing, or has been instructed to draw...

Reviews

This type of book is almost everything and helped me hunting forward and more. I was able to comprehend almost everything using this published e.pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
