POT-POURRI PARISIEN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Pot-Pourri Parisien I have sought in writing and subsequently arranging this book to place things in the order in which they come and to leave practically untouched the impressions of each period of my life in Paris. I have carefully avoided the dangerous practice of inserting afterthoughts in the midst of past impressions. Only by adherence to this rule can one trace the gradual changes that take place in the ideas of a stranger who is living permanently in a foreign country. His first impressions are almost all negated by later experience. To-day I regard the French as a race whose star is in the descendant. To-morrow my impressions may change, for I fasten myself to no dogma. The French may recover a purer religious instinct than that which led them before, and upon the ruins of which they now hastily trample. Their administrative departments may emerge from the corruption of jobbery; the decoration of the Legion of Honour may once again be placed beyond the bid of wealthy purchasers and become the reward of valour instead of cunning. The intrinsic qualities of the French race abide - courtesy, honesty, and purity now and again emerge from the surface of the flood of atheism, and without doubt there are units of the French army who, devoid of treachery and unblinded by conceit, are still worthy to stand under those tattered and glorious Napoleonic banners which formerly floated over three-quarters of European territory.
