Atria Books, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Make me proud. These were the last words Livie's father ever spoke to her. In the seven years since her parents tragic death, Livie has done her best to keep this promise through her every choice, word, and action, while looking after her sister with strength and maturity. But with college right around the corner, unexpected challenges will test her resilience-and her heart. Livie walks into Princeton with a solid plan, and she's dead set on delivering on it: Rock her classes, set herself up for medical school, and meet a good, respectable guy to marry someday. What isn't part of her plan are Jell-O shots; a lovable, party animal roommate she can't say no to; and Ashton, the arrogant-and extremely attractive-captain of the men's rowing team who makes Livie's usually non-existent temper flare. Worse, he's best friends and roommates with Connor, who fits Livie's criteria perfectly. So why does she keep thinking about Ashton? As Livie finds herself facing mediocre grades, career aspirations she no longer thinks she can handle, and feelings for Ashton that she shouldn't have, she's forced to let go of her last promise to her father and, with it, the only identity that she knows.
