Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Republic of Georgia (Georgia) is located at the crossroads of Western Asia and Eastern Europe. Since the Rose Revolution, Georgia has made sweeping economic reforms, moving from a near-failed state in 2003, to a relatively well-functioning market economy in 2015. Through dramatic police and institutional reforms, the government has mostly eradicated low-level corruption. According to a 2015 Georgia Messenger poll, only 2 percent of the population reported that they had to pay a bribe in the previous year to receive a government service or decision. In 2005, the government eliminated 84 percent of licensing requirements, and Georgia ranks 15th in the 2015 World Bank s, Ease of Doing Business Index. Fiscal and monetary policy are focused on low deficits, low inflation, and a floating real exchange rate, although the latter has been affected by regional developments, including sanctions on Russia and other external factors such as a stronger dollar and weaker regional economies. In October 2012 Georgia ushered its first democratic transfer of power when former Prime Minister Bidzina Ivanishvili s Georgian Dream coalition won a parliamentary majority and formed a new government. The 2013 Presidential elections in Georgia were viewed by international observers as highly competitive with fair electoral processes and facilitated Georgia s second peaceful transfer of power in a little over a year. Prime Minister Ivanishvili resigned in November 2013, and was replaced by Irakli Garibashvili. Subsequent local self-government elections in 2014 further consolidated Georgia s record of electoral democracy and were acknowledged by the international community as yet another step towards strengthening democratic processes in Georgia. The current government has carried on the previous government s low-regulation, low-tax, free market policies, while increasing social spending,...
