Reviews

Undoubtedly, this is actually the greatest job by any author. This can be for those who statte there was not a worthy of studying. I am delighted to inform you that this is actually the greatest publication i actually have read within my very own daily life and could be he greatest book for ever.

(Perry Reinger)

IDOMENEO (PAPERBACK)

Alma Books Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: Italian,English . Brand New Book. Mozart wrote Idomeneo when he was 24 years old, and the opera was described by Albert Einstein as one of those works that even a genius like Mozart could write only once in his life. It is one of most astonishing achievements of an altogether astonishing career. In this newly commissioned guide, Julian Rushton explains the special nature of the music in a detailed analysis of its themes and development, while Nicholas Till places the opera in its context as an expression of the Enlightenment. Gary Kahn explores the performance history of an opera which, although largely ignored for more than 150 years, has now taken its place as part of the international operatic repertoire. A selection of the unique letters between Mozart and his father written during the opera's composition is also included. The guide contains a detailed thematic analysis and the original libretto with a facing literal translation of all the words that Mozart set to music in the various performing versions during his lifetime. There is a discography, DVD guide, bibliography, and a list of websites that will allow the reader to explore the opera further.
