THE LIFE AS A MINISTER: ANOINTED TO PREACH (PAPERBACK)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I am writing this book The Life as a Minister to share with the Christian faith and leaders my lasting excitement while serving in a leadership capacity as a minister. No other area of intellectual work has gotten my attention that overlaps so many fields of knowledge. I looked at how science and humanities offer such varied insight into troubling questions of our time. I believe any one who use this text will come to an understanding that ministry starts by serving, which is the door for the blessings to flow. As a minister, I found that the way ministry is conducted has a social change as well. The church is affected by how we live and respond to our surroundings. This is also found in my introduction as well. The inspiration by the Holy Spirit to put in writing the uniqueness of how God deals with His highest creation (man). In this book you will find some richness that will guide you on your road to victory. I believe without fail that in great specifics throughout the book that you will come to an understanding of how the Life as a Minister really is. There is no glamour by far in the position as a minister however I was compelled to share my walk with you. I believe that while you are experiencing the particularly chosen words demonstrating some characteristics that will cause you to look at your walk. God will be in your mist and will quicken your spirit illuminating His word to you. Also I want you to understand your walk may not be like mine but if you achieve the elevation to this position you would have some closer...
