Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A motley collection of humans and one robot, all from alternate universes, must make their way through a strange alien puzzle-world of danger and mystery in this classic science fiction allegory by an award-winning maestro. Following a conversation with a talking slot machine, Professor Edward Lansing finds himself mysteriously transported to a tavern on a long and empty road. It is immediately obvious to the educator that he is no longer on campus - or even Earth - and that he is not alone. Lansing s new companions - a female engineer, a military officer, a humorless priest, a poetess, and a robot named Jurgens - all hail from separate alternate realities and share Lansing s confusion. What is clear, however, is that they must continue down the road together, encountering a series of bizarre sights, dangerous obstacles, and perplexing puzzles along the way: an abandoned, decaying city; a set of doorways; a large blue cube; a tower that sings. Soon it is apparent they are all being tested for some eerie, inexplicable reason, and the choices each must make will determine his or her future. For those who fail, the alien trail will never be seen again. A provocative science fiction allegory, Special Deliverance is Hugo and Nebula Award winner Clifford D. Simak s Pilgrim s Progress - a tale of great trials and hidden agendas that expose the foibles of humanity and a fantastic exploration of the human condition. A science fiction classic brimming with intelligence, invention, and wonder, it is yet another extraordinary creation from one of the genre s most revered grandmasters.
