CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 64 pages. Dimensions: 11.0in. x 8.5in. x 0.1in. Believing William Legrand to have gone insane following an insect bite, his friend initially decries his quest for gold as the ramblings of a madman. Yet when Legrand's conviction fails to waiver, they set off on a bizarre journey, accompanied by Jupiter, Legrand's loyal and equally sceptical servant. What follows is a strange tale of coded messages, hidden treasure, and uncanny prophecy that will both enthrall and baffle even the most perceptive readers. Part horror story, part detective fiction, *The Gold Bug* is an ingenious tale bearing all the hallmarks of Poe's extraordinary narrative skill. This item ships from La Vergne, TN. Paperback.
