Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Prof. Greg Herzog)

A BASKET CURRENCY FOR ASIA

[DOWNLOAD PDF](#)

Routledge, UK, 2007. Hardcover. Condition: New. First Edition. 240 Pages. NEW. The failure of the dollar peg to prevent the Asian currency crisis of 1997 to 1998 has highlighted the importance of the exchange rate regime in Asia and provoked much discussion as to what the alternatives are in terms of exchange rate systems. Bringing together extensive research on Asian basket currencies in one volume, this new text discusses whether a currency basket system is the answer, striking a balance between the theoretical and empirical. With strong policy implications for East Asia, the impressive team of contributors argue that for countries that have close economic relationships with several currency areas, it is well worth considering a currency basket system. The book also pursues the important idea of coordination failure, whereby if each individual country tries to adopt an optimal exchange rate given other neighbouring countries' policies, they may collectively fail to reach a region's optimal exchange rate regime. Book Description: The failure of the dollar peg to prevent the Asian currency crisis of 1997 to 1998 has highlighted the importance of the exchange rate regime in Asia and provoked much discussion as to what the alternatives are in terms of exchange rate systems. : Bringing together extensive research on Asian basket currencies in one volume, this new text discusses whether a currency basket system is the answer, striking a balance between the theoretical and empirical.
