

Seeing Through Their Eyes (Paperback)

By Candy O'Donnell

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dead people find me. and I find them. My name is Lee. What I do is not for the faint of heart. I have this insatiable need to help those that cannot help themselves. The dead find me and I go in search of them. I am their voice. Since childhood, I have always found a way to help the dead and missing. With the help of my mother, Tabitha, she encourages me to bring closure to the dead and their families. My occupation is strange for those that do not understand. When Sarah first came to me, all she wanted was her body found. She had been murdered and whoever killed her, moved her body and dumped it near the American River in Folsom, California. There was no remorse in what happened to her. There was only a dead girl lying in the water. This is where I come in.
