

The Idea of Socialism (Hardback)

Filesize: 7.22 MB

Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

Polity Press, United Kingdom, 2017. Hardback. Condition: New. 1. Auflage. Language: English . Brand New Book. The idea of socialism has given normative grounding and orientation to the outrage over capitalism for more than 150 years, and yet today it seems to have lost much of its appeal. Despite growing discontent, many would hesitate to invoke socialism when it comes to envisioning life beyond capitalism. How can we explain the rapid decline of this once powerful idea? And what must we do to renew it for the twenty-first century? In this lucid, political-philosophical essay, Axel Honneth argues that the idea of socialism has lost its luster because its theoretical assumptions stem from the industrial era and are no longer convincing in our contemporary post-industrial societies. Only if we manage to replace these assumptions with a concept of history and society that corresponds to our current experiences will we be able to restore confidence in a project whose fundamental idea remains as relevant today as it was a century ago the idea of an economy that realizes freedom in solidarity. The Idea of Socialism was awarded the Bruno Kreisky Prize for the Political Book of 2015.
