

The Evolution of Investing at the University of Michigan: 1817-2016 (Paperback)

Filesize: 7.35 MB

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Michigan Publishing Services, 2017. Paperback. Condition: New. Language: English . Brand New Book. Endowments, foundations, pension funds, private equity, venture capital, hedge funds: these terms are now commonplace as the world of institutional investing has become increasingly complex over the past hundred years. But how did it get this way? The Evolution of Investing at the University of Michigan traces the development of institutional investing through the lens of one of the country s largest endowments, illustrating how tidal changes in the law, new approaches to governance, portfolio theory and continuing academic advances and studies, as well as incredible innovation in the practice of investment management, have all combined to create the highly sophisticated investing landscape of today.
