Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

A heartfelt story told with warmth, perception and humour, in award winning Bill Condon s deceptively effortless prose. Ten-year-old Stephen has never met his great aunt Lola, and he doesn t want to. She sends him money twice a year and he always writes back, but he doesn t send her any love, because he can t lie. How can you love someone you ve never met? he asks. He decides you can t, not even for ten dollars twice a year. When he arrives with his parents at Lola s house, Stephen discovers she s grumpy, scary and really, really old. What will they have to talk about? He wants to turn around and go home, but his mum says they have to stay until Lola s birthday - three weeks away. Left to his own devices, Stephen learns about the simple things in life - like fishing, and cricket, and climbing trees - and the importance of family. Soon Aunty Lola entrusts Stephen with a great secret, and he realises just how much she has come to mean to him.
