DON T WATCH ME BLEED.: CONFESSIONS OF A UTERUS IN PAIN: POETRY. (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. A brief glance into the disturbed mind of a woman dealing with both mental illness and Stage IV Endometriosis. The emphasis is upon her chronic pain condition and the overall impact endometriosis has on her life including her mental health. This is a short poetry collection intended for mature audiences only. Some profanity and graphic imagery is described. This disease is too often undervalued on its effect on a woman s mind body soul. This is raw poetry written from an angry, lonely and painful place. It is a self-purging of a pelvic problem that is commonly misunderstood by both laypersons and those in the medical field.
