China's economy and society enters a new stage of rapid development since the people masses of high-level. high-quality education is increasingly urgent demand. Especially after the 1999 college enrollment. Higher education developed rapidly. increasing the academic requirements of the basic education teachers. This suggests that the social background of the teacher education is undergoing major changes. We gradually establish three Normal Teachers Training System - Medium Normal School after the founding of train primary school teachers. teachers colleges train a junior high school teacher. the Normal train high school teacher pattern has come to be to break a flexible. open Teacher Education The system is gradually taking shape. primary and secondary school teachers cultivate entered a period of diversification. Culture has a long history...

Reviews

Merely no phrases to describe. It really is rally intriguing throug reading time. I am happy to tell you that this is basically the greatest book i have go through in my own lifestyle and might be he greatest book for ever.

-- **Kattie Wunsch**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

-- **Kaya Rippin**
