Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Tariff Primer: A Graphic Presentation of the Fordney-McCumber Tariff, What It Is, How It Works, Whom It Benefits Can a people be enriched by their own taxation? That is the question now confronting the American people. If a people can be enriched by the simple process of taking hundreds of millions of dollars annually out of the pockets of the Many, and pouring them into the huge pockets of the Privileged Few, then the Fordney-McCumber Tariff is the most beneficent piece of legislation in the History of the Republic. If it be true that a people can be prospered by so simple a method, then will the new Tariff lift our toiling millions out of the perils of penury and want, up into the happy realm of abundance. Were the Tariff Issue so clear and definite as above stated, it would of course have disappeared long ago from our political history. No question about that. But it is not. On the contrary, it is an issue so complex and involved, so mixed up and confused by the multiplied relations sustained even by the average citizen in the complex financial and industrial life of today, that after generations of discussion, we know but little more about the Tariff than we did at the beginning. The heroic and independent spirit of our Sires of 76, would not have considered the toleration of so monstrous and extortionate a measure as the Fordney-McCumber Tariff for a single minute. Their fight was against Taxation: we fight for Taxation. But the real facts in the case and the dire consequences to the consuming public - were far easier to see than they are today. Amidst the...
