A Complete Guide to Self Sufficiency in the Modern World: How to Grow What You Eat from the Garden for Healthy Homesteading (Paperback)

By Marlon Green

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Abridged edition. Language: English . Brand New Book ***** Print on Demand *****.A lot of persons wonder what homesteading is and how it fits into our modern society. In a nutshell it is a return to being self sufficient, living off the land if you will. As more and more individuals are trying to find ways to save money they are looking at ways to grow what they can. A lot may find it surprising to know that having a boxed garden or a potted garden is an urban way to homestead. This book provides all the information that one could ever want to know on a basic level about homesteading and how to make the transition to becoming more self sufficient. What many individuals fail to realize is that there are individuals that never stopped practicing this way of life and that some are even totally off the grid as they produce everything that they need. It makes for an interesting read and at the end of it all you will start to wonder why you were not doing it in the first place. Everything is presented in a...
