Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. War Drums, World War II and Korea is the sixth book in my series Faith's Right Hand. It tells a war bride's story; from the loss of a husband and restoration through years filled with God's promises. We begin on the Warren Farm with sweeping changes such as electricity, telephones and even indoor plumbing. However the peaceful tranquility of the farm is once again broken by the beating of war drums in Europe. World War I, the War to end all Wars hadn't accomplished its goal. And as before Rose would bear witness to her family members marching off to war yet again. Then after peace in Europe and the Pacific are achieved the world watched again as North Korea invaded South Korea and the United States goes to the defense of South Korea. I invite you to read my other books in this series. Thank you and God Bless. Joseph P. Estes.
