Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Tara Jerde)

LECTURA Y ESCRITURA AVANZADAS STUDENT S BOOK (PAPERBACK)

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2015. Paperback. Condition: New. Student, Bilingual. Language: Spanish . Brand New Book. Designed for use by IB Diploma Language B students. Each of the 15 units in this full-colour book provides students with a model text and gives them exercises that help them to analyse the structure and language. They then work up to writing a similar type of text in a similar register of language. The approach trains students to reflect on the communicative purpose of each text and to use the language appropriate to the type of text and its audience. It teaches them to structure arguments in a clear, coherent and convincing way.
