## TESTING MATERIALS IN MY MAKERSPACE (PAPERBACK)

Crabtree Publishing Company, 2018. Paperback. Condition: New. Language: English . Brand New Book. Children will enjoy this intriguing book, which uses the principles of Makerspace to introduce them to how the properties of materials make them best suited for different purposes. Simple text describes how the properties of materials, such as transparency and buoyancy, relate to their uses. Readers are then provided with strategies to start their own creative projects using the ideas they have learned especially related to testing the...
