Sharing his thoughts and unique photographic vision, he comes to terms with alcoholism, recovery, and the early demise of close friends from the disease of alcoholism. In 2010, Fred Hunt had given up being a photographer. Writing and creating art were painful memories, belonging to someone he thought he d lost forever. On October 31, 2010, Hunt sought help at Valley Hope Treatment Center, and it saved his life. In the seven months that followed, he took the journey covered in this book, and lost two close friends to the disease of alcoholism. It is a journey of experience, strength and hope. I went from nearly dying, to seeing the world in bright colors. I still wonder why I am alive and my friends are not. I can only guess I simply got help in time. I hope this book can inspire someone to do the same. - Fred Hunt The Sound of Silence: A Journey of Recovery...
