If he is part of the temporal trinity, does that mean he s manipulating himself? As Aori travels through Biblical times and the Ancient Roman Empire, he and those he encounters blur the lines between historical and religious figures, old friends and former enemies, and gods and men. Also, what dark connection links King Saul from the Old Testament with Emperor Nero of Rome? When the living embodiment of a death wish spreads a suicide plague throughout the world, who will be able to stop the never-ending cycle of self-inflicted violence? Even with his temporal magic, Aori will need the help of a back-stabbing scoundrel, a moth knight, a deicidal giant, and ancient musicians in this, the second book of the Anachronist Chronicles.
