Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Remember that time you dated that complete nutcase and said to yourself, I wish Future Me would have come back and warned me about this. Remember when you and your drunk friends said, If it s such a bad idea, someone would come back from the future and stop us, right before it blew up in your face and got you in trouble? It would be great to have someone from the future to guide your life, wouldn t it? Landon Bridges life hasn t always been perfect, but now he s in college and determined to make a fresh start and transform himself from high school geek to college chic.well less geeky guy. He s finally attained his life-long goal of studying physics in college under a renowned professor. He s met the girl of his dreams and made friends with some of the cool frat guys. Things are going great, until He shows up. A mysterious stranger intervenes to help Landon out of a terrible, possibly life changing situation, but what does he want? Why does he keep showing up? Who is he? Landon s esteemed professor suddenly seems like a flake. Landon s briefly idyllic college world seems to be spinning out of control. Landon needs to control his world and in the process of regaining his sanity and his grip on reality, he discovers that he has talents and allies that he never imagined. But is what they re telling him the truth? The truth is just the lie we ve chosen to believe, and yours may be different than mine.
