## GRAB YER BURRO (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Much like politicians, philosophers and educators everywhere when three individuals converse without listening they have to be the wisest individuals. There is nothing we mere mortals can say will ever change their perception. Among great thinkers Mr. P.L. Ato, Mr. Harry( Arri) Stottle and Phred Esq. are known surprisingly as, well, honestly P.L. Ato Arri Stottle and Phred. Some regard these fine fellows as different. This is the most common word one hears. Few among us cease Mug-booking and twilight bird speaking long enough to consider the wisdom of these fine fellows. Yaim Kiddamuse is an exception, he is their scribe. He doesn't Mug book or bird speak. He's too busy writing the next manuscript to worry about the electronic de-socialization currently in vogue. His friends and neighbors actually deny all knowledge of whose dog left the do-do in his front yard. However he has his suspicions but he doesn't voice them in this work. Instead he wrote the words spoken by Mr. P.L.Ato, Mr. Arri Stottle and Phred Esq. on their visits to his home. The problem wasn't capturing the words but trying to get the lads to stay on track. As Arri Stottle so eloquently states: I doesn't do tacks nor tracks. I'm strictly a cross-country kind of guy. Grab Yer Burro is a journey into the realms of English as it ventures on a journey of exploration into the snap image world of a mirror writing dyslexic. I hope you enjoy it. Y.K.
