Eric Eason, United States, 2010. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Connecting-The-Dots (For Everyday People) is not just a book but an experience! It is multi-purpose and can be utilized as an organizer, a daily planner, a mentoring guide, a comprehensive journal, your personal corrective action plan, a life skills manual, a relapse prevention plan, and can be viewed as your own personal counseling sessions when you feel you have to be reintroduced to You . Connecting-The-Dots (For Everyday People) demonstrates how the importance of strengthening one s personal growth enhances their professional development. Connecting-The-Dots (For Everyday People) can be utilized to facilitate discussions in small to large group sessions or by yourself. Connecting-The-Dots (For Everyday People) is not a sprint, but a marathon. It is written in a certain order and for best results should be completed in that order. Remember in primary school your teacher probably distributed the Connect-The-Dots handouts for you to complete as a means of a reward. The only instruction was for you to connect the dots in the order of the numerical series. If you connected out of order then the image or picture would be skewed or distorted. As a result you would have to reassess where you went wrong in drawing your lines from one dot to the next in order to obtain the original image or picture. Connect-The-Dots handouts can be paralalled to the vehicle called - Life. To life, there is an order - making good decisions, for the right reasons, at the right time. However, there are some people who travel through life not completely aware of the significance of order. Therefore when they realize they have made an error they appear to be incapable of rectifying...
