Hazelden Publishing Educational Services, United States, 2011. Paperback. Condition: New. Second Edition. Language: N/A. Brand New Book. Give clients straight talk about what to expect after their release and how they can stay drug-free and crime-free. About the second edition of A New Direction We are proud to introduce the second edition of A New Direction. Hazelden's pioneering treatment program specifically for criminal justice professionals is now better than ever! With a streamlined format, updated information, and an affordable price, this revised version of A New Direction is sure to make a positive impact in your residential substance abuse treatment program or with any of your law-involved clients. A New Direction is a comprehensive cognitive-behavioural therapy treatment program that trains chemically dependent offenders to challenge their thinking in order to change their criminal and addictive behaviour patterns: real inmates tell the real story about recovering from a life of addiction and crime. A cognitive-behavioural approach helps inmates see how their attitudes and assumptions fuel destructive behaviours. A modular structure allows for easy customisation to meet individual, facility, and budget needs. Can be wholly implemented as a new program or implemented in part to enhance your existing program. Features built-in tools for measuring outcomes, provides framework for standardised treatment from facility to facility. Six Modules A New Direction consists of six core modules: Intake Orientation, Criminal Addictive Thinking, Drug Alcohol Education, Socialization, Relapse Prevention, and Release Reintegration Preparation. Each module features videos, client workbooks, and facilitator's guides. About the New Streamlined Format You no longer need to decide between the long term version versus the short term version of this popular program. The new streamlined version makes implementation easier than ever. Training You can implement A New Direction with ease. Hazelden offers training on many products to help you develop an in-depth understanding of the program and its components and to create a long-term plan for your...
