

## Flavono de (Paperback)

By -

Ceed Publishing, United States, 2011. Paperback. Condition: New. Language: French . Brand New Book. Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Les flavono des (ou bioflavono des) sont des m tabolites secondaires des plantes partageant tous une m me structure de base form e par deux cycles aromatiques reli? s par trois carbones: C6-C3-C6, cha ne souvent ferm e en un h t rocycle oxyg n hexa- ou pentagonal. Certains auteurs, comme Bruneton, pr f rent s parer, pour tenir compte de leurs propri t? s particuli res, les d riv? s flavaniques, les anthocyanosides et les isoflavono des et de conserver l appellation de flavono des stricto sensu pour les autres. Les flavono des sont responsables de la couleur vari e des fleurs et des fruits et repr sentent une source importante d antioxydants dans notre alimentation. Ils forment une sous-classe des polyph nols. Il y en a plus de 6000 avoir t d crits chez les plantes.

### Reviews

*This publication is definitely not effortless to get going on reading through but really exciting to read through. it was actually writtern really properly and beneficial. I am just very easily could get a delight of reading through a created publication.*

-- **Gino Jerde Jr.**

*This book can be worthy of a read, and much better than other. It usually fails to charge a lot of. I realized this publication from my dad and i encouraged this pdf to understand.*
