C. E. Tracy, United States, 2012. Paperback. Book Condition: New. Eddie Garcia (illustrator). 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Centuries before the flood of Noah, fallen angels roamed the earth. Outcast from heaven, these beings were sentenced to watch over man and protect them, but they didn't. Instead they lusted after the daughters of man, inflicting a plague of their descendants, the Nephilim, upon the inhabitants of the earth. While the flood was primarily intended to punish the wicked people, it was also a tool to rid the world of these abominations. As further punishment the angels were stripped of their immortality. One by one they were hunted until they were nothing but a memory thought of when their legend was told. But memory has a funny way of resurfacing. In the 21st century, the legend of the fallen angel has become less than a blip on the pages of history. People no longer believed that such creatures could ever exist. Especially Tyler. Tyler Morris is an aspiring geneticist. He believes nothing unless it can be scientifically explained. His twin brother Mark on the other hand is obsessed with the supernatural. Nothing could have ever caused him to consider what interested his brother as real until a legendary figure arrives. Found in an unmarked caving system, four hikers discover the body of a fallen angel. Try as he might, Tyler will not let himself believe that such a creature actually exists. Even with the knowledge of its presence at his University, he still disregards its importance. It's not until his brother does the unthinkable that Tyler's eyes are opened. Mark injects Tyler with a genetic cocktail containing the fallen angel DNA. The resulting transformation into the resurrected fallen angel...
