Caliber Comics, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is Velda Bellinghausen. I m a private investigator. I used to be a showgirl at Slotnik s Follies, but I got pretty sick and tired of shedding my clothes twice a day, four times on weekends for matinees. So I followed up on an ad I saw on a matchbook cover and sent in my twenty bucks for the Hawkshaw Course on Detection. It was the best twenty bucks I ever spent, too! In no time at all, I had my license and was in business for myself! Now I m called upon to investigate murders, burglaries, and all sorts of crimes occurring in the big city. Velda: Girl Detective is a multi-leveled representation of the more lurid of the 1950s crime comics as if it actually existed as a classic Golden Age comic. A passing homage to the noir films and hard-boiled detective school of writing of the 1950s as it includes vintage ads as well as side story featurettes such as Hawkshaw Hawk, Bird Detective and Neolithica: Girl of the Pleistocene. In this second volume, stories of Velda s exploits continue in Velda Goes to the Circus and Goes to Hollywood plus Velda hypnotized, visiting a dude ranch, and Velda against a crazed strangler. See the action tales of a burlesque queen who became a private eye. As a special bonus, this volume contains Velda s calendar pinups!.
