Brand New Book ***** Print on Demand *****.Wayne and Lynn Flatt, (aka Captain Bones and Miss Lynn) both recovering from failed marriages, found each other in midlife. Even while falling in love they suffered tragic losses. They endured murder, cancer, and grew weary with the constant demands of the American Dream. They hungered for more in life. They buy a beaten-up old Marine Trader trawler, and repair it with hard work and love until it is shipshape and ready to carry them into the future as the ship named Skinwalker. The spaciousness of a blue water passage, the embrace of quiet coves, and unknown future exploits are the restorative events they are hoping for. Bones and Miss Lynn are ready to go! Follow the two as they chase unknown and daring adventures at sea. Their journey takes them from the Caribbean to the Statue of Liberty, into the canals and waterways of Canada and back. Aboard Skinwalker they have undergone a lifetime of adventures and excitement. Both fervently believe in the healing power of their encounters. From restoring a derelict boat, weathering devastating storms, and lounging in tiki bars, Bones and Miss Lynn have experienced the highs, the lows, and the sweetest ebbs and flows of life.
