Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The virtual world of AbbaLand is the home of all English letters and English words. It is watched over by the all-powerful creator, Abba, although many letters don t believe He exists. They think He is just a fairy tale. Because he thinks that no one sees his actions, A comes up with a bad plan that has the potential to throw the entire land into chaos. A is jealous of I. A wants to be the most popular letter, but the invention of words like iPod and iPad have made I one of the most famous letters in AbbaLand! With the help of his friend E, A forms a plan that will teach I once and for all who the most popular letter truly is. It will take some tough life lessons for A to see the error of his ways! In this charming book, children will learn not only the value of English grammar and spelling but the importance of friendship, humility, and compassion. Author C. C. Strachan includes discussion prompts and questions to help both you and your children see how the events of AbbaLand relate to your own Christian lives and godly virtues.
