Your guide to giving your child with special needs love, roots, wings You may lack limbs, but don t let that define what you can or can t do. That s the life-changing advice Boris Vujcic spoke to his son, Nick, who was born without arms or legs. With the help of his parents, Nick has become an internationally known inspirational speaker, a best-selling author, the founder of the nonprofit organization Life Without Limbs and, most importantly, a loving and responsible husband and father himself. But Nick s journey didn t start there. Raising the Perfectly Imperfect Child is the inspiring, powerfully transparent story of how two unprepared and overwhelmed parents--Boris and Dushka Vujcic--overcame their grief, fears, and badly shaken faith to raise such an accomplished, faith-filled, and perfectly imperfect son. Through their stories, Boris offers practical advice and encouragement for all parents facing a new normal when raising a child with special needs or unique challenges. With tenderness, he addresses the spiritual, emotional, and financial challenges, and offers insights on how to equip a child for happiness and success in life. I highly recommend Raising the Perfectly Imperfect Child to anyone who has questions about bringing up a special-needs son or daughter. --Joni Eareckson Tada, founder and CEO of Joni and Friends International Disability Center A profoundly moving, triumphant testimony to what it means to be an extraordinary parent. --Robin Berman, MD, author of Permission to Parent: How to Raise Your Child with Love and Limits.
