*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Dover Publications Inc., United States, 2000. Paperback. Book Condition: New. 211 x 152 mm. Language: English . Brand New Book. With this brilliant and uncompromising work perhaps the most famous musical work of the twentieth century Stravinsky changed the course of modern music forever. Discarding conventional harmonies for bizarrely dissonant chords, and uniform metrics for harshly jarring beat patterns, he created a sensational theater piece that, at the work s 1931 premier, caused the music world s most talked-about riot. Every law of musical syntax, every canon of harmony seems to have been violated, every limit of rhythmic perversity and eccentricity of orchestration exceeded in this tumultuous cataclysm of sound, says Grove s ; yet with all its deliberate crudity and violence the Rite is a clearly planned and perfectly controlled and coordinated piece of music [that] has long been accepted universally as a masterpiece and is in the repertory of every large symphony orchestra. Reproduced here from an authoritative edition, the score is ideal for study in the classroom, at home, or in the concert hall. This affordable, durable, and portable volume will be the edition of choice for music students and music lovers alike.
